

Skip-A-Payment Program

With AurGroup's Skip-A-Payment program, you may be eligible to skip a payment on your credit union loan. Have more than one loan? Great! You can skip payments on each loan up to two times each year.

Learn how to put a little extra cash in your pocket.

WHAT COULD YOU DO WITH EXTRA CASH NEXT MONTH?

AurGroup FINANCIAL CREDIT UNION

How It Works: For a small processing fee of just \$35, you can request to skip your next loan payment. If you normally make your loan payment by check, you won't need to send a check for the month you skip. If your loan payment is made by Payroll Deduction or Direct Deposit, your payment for the month you choose to skip will automatically be transferred to your Savings or Checking account for immediate withdrawal. **NOTE:** AurGroup cannot skip automatic loan payments you initiated from within our online banking or another financial institution. The member (you) must skip these payments.

Request to participate in our Skip-a-Payment program by providing the information below. You may fax the completed form to 513-612-7761, email it to loanservicing@aurgroup.org, or drop it off at any AurGroup Branch.

Interest will continue to accrue during the month you skip your payment, and when payments resume, the unpaid interest will be collected first. Members can skip up to two, non-consecutive loan payments a year. Members must be in good standing, and the loans must be current to participate. AurGroup reserves the right to refuse any Skip-a-Payment request. Payments made through Payroll Deduction or Direct Deposit will be transferred to your Savings or Checking account during the month you choose to skip and will be subsequently available for withdrawal. Home Loans, Home Equity Loans, Back-to-School, Holiday, Everyday Loans, Loans newer than four months, and Loans past due are not eligible for the Skip-a-Payment program.
